SELECTING AN LWML YOUNG WOMAN REPRESENTATIVE GUIDELINES

The YWR should:

- Have a strong relationship with God. Everything will flow from this. The significance of the LWML organization and the convention experience will hold great meaning for her. Her faith will encourage her as she carries out the YWR duties and responsibilities!
- Have some knowledge of the Lutheran Women's Missionary League. She will gain much from her national convention experience if she understands the basics of the organization. **The district should make an effort to provide some education and information for her, prior to convention.** This will insure greater commitment from her and inspiration for her!
- Know what is expected of her from the district after convention, such as **speaking engagements, attendance at various events and YWR committee work.**
- Have experience or potential in at least two of the following areas; speaking, leading, recruiting, encouraging. She will need to impact others on her convention experience, so skills

in some of these areas would be helpful.

- Have the ability to relate to various age groups of young women in your district to share the blessings of the LWML.
- Have a desire to make a difference and be willing to learn and get involved. Also, be willing to assume the commitments asked of her by the district in a sincere and dedicated manner.

These guidelines are suggested so the YWR(s) selected, will be empowered to maximize your YWR program and to have the greatest effect on the young women of your district! May our Lord guide you in your selection process!
