

CHRIST-CENTERED GIVING

True Christian giving is motivated by love for Christ, generated by His Gospel. Needs are Simply indicators of where, when and what to give. When used as motivators, needs become worldly, humanistic tools.

LOVE THE MOTIVATOR

Christians first focus on Christ's love and learn the love of Christian giving from His giving love.

NEED THE INDICATOR

In response to the motivating power of Christ's love, Christians then focus on needs surrounding them as indicators of where to exert their love.
